

US - TOO

The Prostate Cancer Support Group

invites you to attend its monthly meetings

Malcolm Forbes Amphitheater - Morristown Memorial Hospital

Tuesday, September 4, 2007

7:30 – 9:30 p.m.

Diet and Dietary Supplements from A – Z

What Works – What is Worthless

Mark A. Moyad, MD, MPH

University of Michigan Medical Center

Dr. Moyad is the Phil Jenkins Director of Preventative and Alternative Medicine at the U. of Mich. Medical Center (Dept. of Urology). He is the primary author of eighty medical articles and the co-author of five books. The program will address nutrition, supplements, complimentary medicine in the treatment and prevention of prostate cancer. Dr. Moyad is an internationally known expert on prostate cancer. His presentation should be of great interest to all P.C. survivors. TAP Pharmaceutical is sponsoring this informative program. Don't miss it!

Tuesday, October 2, 2007

7:30 – 9:30 p.m.

Treating Hormone Refractory Prostate Cancer

Stacey Leibowitz, MD - Morristown Memorial Hospital

Dr. Stacey Leibowitz is an oncologist on the staff of MMH and is affiliated with Hematology Oncology Associates of Northern New Jersey which has its office in the Simon Cancer Center. She will discuss the treatment options which are available when PC becomes hormone refractory (when androgen ablation is no longer effective). In addition to what has been available, there are some recent developments and others are on the horizon. We will be brought up to date.

After the presentations, we will enjoy refreshments and break into small groups to discuss individual concerns.

Free US-Too parking - JCPL Parking Lot

Prostate Cancer Events and Issues

[George Gartner Memorial Prostate Cancer Research Grant](#)

After the death of member **George Gartner** in the summer of 2006, his family requested that memorial contributions be made to the New Jersey Commission on Cancer Research. A substantial sum of money was received and **at the October 2nd meeting, Ann Marie Hill, Executive Director of the Commission, will announce the award of a grant to a bioinformatics project at Rutgers University which will explore the use of computers to detect and grade prostate cancer more accurately.** This is a fitting memorial to George who helped other PC patients, addressed the group on finding PC info on the internet, and created the website for the PC Coalition of NJ. George's wife, Kathy, and other family members will attend the meeting. We look forward to this special announcement and the reunion with George's family.

[Save Sunday, September 23rd – PC Race and Walk](#)

The Ray Perkins Memorial 5 K certified Race and Walk will be held on Sunday, 9/23 from 8:00-11:00 AM. The fund raising event, which is sponsored by APCaP (Alliance for Prostate Cancer Prevention) is in honor of the late Ray Perkins, a dedicated P.C. advocate and former member of our group who died of prostate cancer. The site of the race is Duke Island Park in Bridgewater, NJ. Enjoy the event and great prizes, refreshments, and giveaways. Info available at our September meeting. **For additional information or to register, call Terry Roe at (732) 271-1248.**

[Senate Declares September National Prostate Cancer Awareness Month](#)

In July, the US Senate adopted a resolution proclaiming September as **National Prostate Cancer Awareness Month**. Your job as a survivor is to promote P.C. awareness by informing your family, friends and the public about the disease and about the importance of screening and early detection. Watch the newspapers for sites of P.C. screenings.

[Congressman Frelinghuysen Visits US TOO](#)

Rep. Rodney Frelinghuysen attended our August 7th meeting. In remarks to the group, he expressed a special interest in PC issues since his 91 year old father, former Congressman Peter Frelinghuysen, is a PC survivor and his predecessor in Congress, Dean Gallo, died of the disease. Rodney stated that **he will support the Manton Prostate Cancer Early Detection and Treatment Act of 2007 (HR 2131)**. His district includes all of Morris County and parts of Essex, Passaic, Sussex and Somerset Counties.
